9.1 - I AMENDMENTS TO THE 2015 CAPITOL COMPLEX MASTER PLAN

9.1.1 APPROVED AMENDMENT #1

INSTALL SECURITY ENHANCEMENTS AT AND AROUND THE STATE CAPITOL BUILDING.

December 16, 2020 - CDC approved security enhancements at the State Capitol Building and grounds as a modification to the 2015 CCMP. The enhancements include necessary security improvements for a total estimated cost of \$10 million. The security enhancement must receive Capitol Building Advisory Committee approval before they would be installed. These enhancements concern health, life and safety and therefore, this amendment would become the top CCMP priority.
