STATE BUILDINGS PROGRAM**

INSTRUCTIONS ON OBTAINING THE LATEST DAVIS-BACON ACT WAGE DETERMINATIONS

Davis Bacon Act (DBA) wage determinations (WD) are categorized by the county in which the contractor will perform the work. If you know the city where the contractor will perform the work but need help in identifying the county that city is in, the following websites provide tools that may be helpful to identify the county:

- [U.S. Geological Survey](#) (USGS)
- [National Association of Counties](#) (NACO)

To obtain the latest DBA WDs for a given county on SAM.gov:

1. Select the *Wage Determinations* link on the [homepage](#).
2. Select *Public Building or Works*
3. On the left side of the page, select Colorado under the *State* drop-down menu and *County/Independent City* where the work will be performed under the 2nd drop-down menu
4. From the *DBA Construction Type* drop-down menu, most often the type will be building
5. From these search results select the Davis-Bacon Act WD# number.
6. Scroll down the page to the *Document*. The Wage Determinations (General Decision Number) can be either downloaded as a .txt file or printed as a pdf to be included in each solicitation.

To find a specific Wage Determination on SAM.gov, select the *Wage Determinations* link on the SAM.gov homepage. Then use the search bar to enter a WD number or keyword and select the search icon. You can filter using the menus on the left side of the page to narrow your search results.
