REQUEST FOR SIGNAGE FUNDS

In response to House Bill 23-1057 *Amenities For All Genders In Public Buildings*, the Office of the State Architect received funding to assist in providing gender neutral signs and signage for baby changing stations in existing facilities.

9-5.7-103 (2) (a) Any restroom with a baby diaper changing station must have signage with a pictogram void of gender that indicates the presence of the baby diaper changing station;

9-5.7-103 (2) (b) Any non-gendered multi-stall restroom or single-gendered or non-gendered single-stall restroom must have signage with a pictogram void of gender;

9-5.7-103 (c) Each building that is accessible to the public must include signage at or near the entrance to the building indicating the location of restrooms and baby diaper changing stations. If there is a central directory accessible to the public identifying the location of offices, restrooms, and other facilities in the buildings, that central directory must indicate with a pictogram void of gender the location of any baby diaper changing station and the location of any non-gendered multi-stall restroom or single-stall restroom.
